

Uniform

The children in the main nursery unit wear our own uniform. A uniform helps them to achieve a sense of belonging to a large group and prepares them for integration into mainstream school

Curriculum

Too often children are passive recipients of an adult led curriculum; at Bluebell Lodge we have developed a distinctive and innovative curriculum which enables children to question, reflect, problem solve, theorise, experiment and express their feelings.

We are sure you will agree providing children with excellent fun educational opportunities to reach their individual potential will give a passion for learning.

Partnership with Parents

We welcome and value the input of families in the nursery life. Parental wishes are of paramount importance and we always strive to work hard to develop and maintain a close relationship with all families at Butterfly Lodge Nursery.

Sundries element.

The sundries element will go towards paying for additional activities, such as PE. sessions, (excluding Dance & Football) and aerobics. It will also contribute to many of the trips we carry out. The sundries will also cover the cost towards food

What is it like for a child in this setting:

Every child in this setting matters and there is a genuine respect for and understanding of the children and their families. All children are valued, listened to and given a warm, secure and loving environment in which to play and learn.

Come and see for yourself

Ofsted Report

Highlights for our successful inspection in August 2016.

- * Meticulous self-evaluation takes into account the views of staff, parents and children. Highly targeted improvement plans are used to set high expectations and drive continuous improvement.
- * The highly qualified staff have a very strong and proactive approach to continuous professional development. There is an extremely focused programme of training. This significantly impacts on the outstanding quality of teaching and learning.
- * Staff establish superb partnership working with parents and other professionals. Information shared is used to inform planning. This enables staff to offer personalised support to meet each child's needs and interests extremely well.
- * The enthusiastic and dynamic staff have high expectations and this contributes towards the superb progress that all children are making. This includes those who have special educational needs or disability and who speak English as an additional language.
- * Staff provide a stimulating and purposeful learning environment, both indoors and outdoors, that is tailored superbly for each child. Children play with joyfulness and confidence and are eager to explore, investigate and try new things.
- * Staff use innovative ways to share information with parents. They set fun, weekly challenges to continue children's learning at home.
- * Children's special contributions and achievements are celebrated at the nursery and at home. Children are confident, self-assured and thrive as their needs are met incredibly well.

Opening Times:

8:00am to 6.00pm
Monday to Friday

Age Range: Birth to 5 years

Welcome

Dear Parents / Guardians,

Thank you for your enquiry about Butterfly Lodge Nursery.

Our prospectus aims to summarize the first class facilities on offer and the high standards of care we constantly strive to maintain within the setting.

Butterfly was established in 2015 by owners Simon and Helen Turpie who also own Bluebell Lodge in Blackpool, Clifton Lodge in Lytham St. Annes and Shepherd Lodge in St. Annes and we are now part of the Learning Curve Nursery Group. Between them they have a considerable knowledge of early years

The nursery is situated in a detached triple story building in a residential area of Blackpool, set in it's own secure grounds.

There is an extensive outdoor area and designated, newly refurbished and resourced, indoor rooms, carefully planned and well equipped to maximize the children's enjoyment of the play and learning environment.

You are most welcome to visit us to view the facilities and meet the staff and children.

We can then personally explain our policies and procedures, discuss the daily routine and demonstrate how we can do our very best to meet your individual requirements for your child.

To arrange a visit at a convenient time to yourself and the nursery and/or for any further information please telephone 01253 347087 where a warm and friendly welcome awaits you.

Yours sincerely,

Hannah Farman,
Nursery Manager

A £25.00 registration fee is required to for us to allocate you a place, and once offered a place you will be required to confirm acceptance and send a deposit equivalent to one week's fees.

Induction and Settling into Nursery

After viewing and confirming a place at the nursery followed by completing the Registration Form and signing the terms and condition, we positively encourage parents to bring their children for pre-visits prior to starting when our experienced staff will help your child to settle in. Families may choose to stay and observe or leave their child to settle on these occasions. The nursery also offers home visits before they start their pre-visits.

There is no charge for visits before your child commences at nursery and we welcome you at this time to read our policies and procedures, look over our Operational Plan, get to know staff and inform us of details of your child's routine and preferences to help create the continuity of care you would wish for your child

Policies and Procedures

In accordance with the national standards the nursery has a full range of policies and procedures in place. All policies and procedures are available to be shared with parents during opening hours.

These include policies in key areas such as:-

- Safeguarding Children
- Special Education Needs
- Behaviour and Sanctions
- Health and Safety
- Accident—medication and illness
- Inclusion & Equal Opportunities

These documents set out standards to give clear guidance and promote good practice for everyone attending the setting.
