June 2018

Club Day -

Lytham Club Day this year is on 23rd June. The Pre-School children are invited to join us on our float, this year it is the lodges save our seas. We ask children to wear either a sea creature costume or a blue top with blue jeans. All other children and parents are welcome to dress up and join us walking alongside the nursery float. We have provided a contact sheet which is in pre-school for all parents to fill in if your child will be going on this year's float.

We will be decorating our float this year using plastic that we have collected from the beach from planned trips with some of the children from both Clifton Lodge and Shepherd Lodge. We are also asking if children can fill an empty plastic bottle with different coloured plastic and please bring it in by the 19th June as these will also be going on our float to decorate. If you have any more plastic that you would like to recycle such as Blue, Grey and white plastic carrier bags they would be much appreciated

Open Evening -

On Thursday 9th August we will be having an opening evening for all parents to explore their child's room especially if they are transitioning to the next room. This is a great opportunity for you to talk to the members of staff and get to know your child's key worker prior to them starting in the room. Though out the night there will be activities which you can get involved with and look at learning outcomes for these particular activities as well as discussions about letters and sounds and ideas on what you could be doing at home to support this.

World Cup

The world begins on the 14th June and shepherd lodge will be partaking in a variety of activities to celebrate. Not only will we be looking and partaking in football games and sports activities we will be planning activities around the different countries in this year's world cup.

Penalty shoot-out afternoon -

To celebrate the world cup we will be hosting a penalty shoot-out on Monday the 2nd July, 2:30pm at Hope Street park for Pre-school and Lower Pre-school. If you would like to come along please let Becca or Lynsey Know in the office.
